Admission Policies and Procedures

AIMS Admission Department has been carefully designing a broad admission policy and procedure from time to time. The eligibility criterion applicable is based on the University/Affiliating body. Applications received directly through website/email or online and offline from the candidates are first scrutinized by the admission team to check whether they meet the eligibility criteria for the program applied/enquired.

The Admission Committee follows the roster system during the admission process. However, if the required number of candidates under specific categories is not met, the remaining seats under General Merit or OBC categories will be filled as and when eligible applications are received.

The Admission Committee is headed by Dr. Priyanandan, CEO of AIMS, and includes the Principal, Director of Admissions and Marketing, Admissions and Marketing Manager, Program Heads, Accounts Heads, and senior faculty members. This committee is responsible for overseeing the entire admission process, ensuring transparency, and maintaining compliance with institutional and regulatory norms.

The institution offers a range of merit-based and talent-oriented scholarships to encourage academic excellence, innovation, and holistic development among students. The prestigious *Smt. Nagarathnamma Scholarship* grants a complete tuition fee waiver for the entire duration of the program to students who secure 90% or above in 12th / A Level (for UG) or in Graduation (for PG). To promote entrepreneurial spirit, the *AIMS Scholarship for Entrepreneurship* provides a monthly stipend of INR 5,000 throughout the course, awarded to students with an approved business idea and a minimum of 60% in qualifying exams. In recognition of athletic excellence, the *AIMS Scholarship for Sports* offers a 50% tuition fee waiver for district/zonal-level athletes and a 90% waiver for those at the state or national level. Similarly, the *AIMS Scholarship for Performing Arts* and the *AIMS Scholarship for Liberal Arts* each grant a monthly stipend of INR 5,000 to students who are recognized performers at the district, state, or national level, and have scored at least 60% in their qualifying examinations. These scholarships reflect the institution's commitment to supporting diverse talents and academic merit.

To promote inclusive and accessible education, the institution extends a range of fee concessions to eligible students. A 10% tuition fee concession (excluding university, exam, boarding, and lodging charges) is granted to AIMS alumni and siblings of AIMERS. A 5% concession is available for girl children and students raised by single mothers. Indian citizens from Defence and Armed Forces backgrounds, **physically challenged** individuals, and Karnataka-based SC/ST students are eligible for a fee concession of INR 5,000 per semester. Additionally, students from economically weaker sections with a family income below INR 2 lakhs per annum are also eligible for a similar concession. Employees of the Peenya Industrial Association may avail a concession of INR 2,500 per semester. These concessions apply to candidates who have completed 12th / A Level (for UG) or graduation (for PG) from a recognized institution. Through these initiatives, the institution aims to ease the financial burden and support deserving students across diverse backgrounds.

The details of Admission Process for various programs are enclosed in Annexure – A & Annexure -B
