

AIMS Policy for Disabled Friendly Environment

AIMS Policy for Differently abled students is a carefully curated one with a mission of facilitating inclusion & accessibility for differently-abled persons in the field of Higher Education. It is intended to provide a barrier-free learning experience and takes into account the structural, educational, social, economic and technological accessibility for differently-abled students.

AIMS Policy for Differently abled students focuses more on developing creative and accessible academic resources by using ICT, structural accessibility check at the Institute from the entrance of the Institute to the classrooms, library, dining area, washrooms, hostels to ensure a barrier-free environment. AIMS is committed to conducting regular synergy meetings with the faculty and non-teaching staff to better understand the core issues and concerns of the students with disability.

Sensitizing the Fellow students and encouraging them to be the volunteers to provide help and guidance to the students differently-abled especially in learning aids and tutoring. AIMS ensures that the classrooms for differently-abled students of any stream should be on the ground floor; only wheelchair ramps have been provided at the common areas for them to move around with other fellow students and friends.

AIMS Library block is also established on the ground floor to facilitate the learning requirements of the differently-abled students.
